

The words "pure boating enjoyment" aptly describe the Baja 272. Thanks to its Mercury® MerCruiser® powerplant, so do the words "speed of light." Its unique Baja True V™ Hull design for great handling at high speeds, high freeboard and stand-up bolster seats make boating a pleasure, even in rough water. And with its ability to track as if it's on rails, you'll have the most popular boat on the water—especially with skiers and wakeboarders. The cabin offers a comfortable setting with two couches, large V-berth and Porta Potti™—great for weekends. New standard four-color in-gel graphics deliver even more style and Baja attitude. So gather five of your closest friends and take a trip to the other side of the sound barrier.

Length 27'2" – 8.28 m • Beam 8'4" – 2.54 m
 Weight 4,400 lb – 1,995 kg • Draft 38" – 96.52 cm
 Deadrise at Transom 24° • Fuel Capacity 90 gal – 340.6 L
 Passenger Capacity 6 • Sleeping Capacity 2
