

## **FORMULA OWNER'S RAFT-UP**

**SEPTEMBER 18/19, 2010  
STILL POND CREEK (INSIDE)  
(N 39° 39.940 / W 76° 07.550)**

Dear Formula Owner:

There is some consideration being given to an informal, two-day Formula Owner's Raft-Up/Rendezvous over the weekend of September 18/19, 2010. This is intended to be a casual get-together, with all activities planned by consensus. While the Formula factory is not formally involved, they have volunteered to donate some Formula Gear giveaways and door prizes. To ensure that they send enough items, they will need to know how many attendees we expect no later than Monday, September 6.

You may attend for the entire duration, both days, one day, or even just a brief visit. An overnight stay in Still Pond Creek is optional, depending on your own boat's capabilities and your interest. If there is enough interest, we could consider making arrangements at a nearby marina like Skipjack Cove or Mears Great Oak to organize some shore-based activities as well.

For more details, to confirm your participation or to submit suggestions, please visit any of these threads:
