## Annual Kickoff Party!

Baca Marine and Pfaff Engines

March 1, 2014

We're really excited to bring the season kickoff party back to the Huntington Beach area at the Baca Marine and Pfaff Engines facility!

If you can, download and submit your 2014 membership application from the website, or you can just come on down, check out the party and join on the spot! This is the year to expand your boating experiences by joining the fun loving boat club called SCOPE. Head over to the kickoff party for information packets on the year's events, meet other members of the club and have some great food, beer, raffles, wine and cocktails. Please see the SCOPE website or facebook page to RSVP.

SCOPE is really excited to support Baca Marine and Pfaff Engines, and for them to host the kickoff party again. We are looking forward to new folks from RiverDavesPlace, OffshoreOnly and other popular boating sites on the Internet.

**The party is at Baca Marine and Pfaff Engines facilities located at:**

5362 System Drive  
Huntington Beach. CA 92649
