**Discovery World Pier
Milwaukee**

YACHT BLAST FOR KIDS™

MAKE A WISH®

Be a part of the wish...

Since 1980, Make-A-Wish Foundation has enriched the lives of children with life-threatening medical conditions through its wish-granting work. Become a part of making a wish in the life of a child by supporting "Yacht Blast for Kids".

Starting at **Discovery World Pier at 2 pm**, over thirty boat owners will donate their time and the use of their yachts and large boats to give Wish Kids boat rides in the Milwaukee harbor.

Then join the fun at the Boat Owner's Dock Party on Discovery World Pier and followed by the evening extravaganza event at the top of the **Discovery World Pilot House beginning at 7 pm** featuring great food, silent auction and entertainment.
