IMPORTANT INFORMATION – SARASOTA RACE:

1. **KILO RUN** – The kilo run is July 3rd and all registration information must be in the Super Boat International office by June 26, 2009 to compete. We will not be accepting any unregistered entries at the race site. The registration listed on the schedule of events is for pre-registered entries only to sign paperwork.
2. **RACE ENTRIES** – Your entry forms for the race (July 5) need to be in by June 26. This allows us to lay out the pit site and speed up the parking of the race boats.
3. **HOTEL ACCOMADATIONS** – Refer to the Super Boat web site or the Suncoast web site (www.suncoastoffshore.org) for a list of hotels. The Hyatt Place Sarasota/Bradenton, 950 University Parkway is offering a special rate for the teams of \$89/night plus tax by calling Ashley Giasone at 941-554-5803.
4. **TENT RENTAL** – Tent rentals are available for the race by going to the Super Boat web site, click on the mini site for Sarasota and select Tent Rental. All tent rental forms must be paid for and in the Super Boat office no later than June 26th to secure your tent.

IMPORTANT INFORMATION – CLEARWATER RACE:

The National Championship race in Clearwater, Florida will be a double point race. It will also count as two races toward the qualification of participating in 60% of the National races to win the title. All other rules required will also apply. This allows a team to still be eligible for the National Championship title by starting in Sarasota.

If any racer has a question on the above information, feel free to contact me at 305-296-6166 (office) or 305-360-1762 (cell).
